Gentlemen:

In regards to the promotion of National Coin Week we have written letters to many people in government offices and several of the radio and television stations. A list of these people and associations are attached.

Mr. Peter Boyko spoke at a Polish Womens League on National Coin Week. He also called President Nixon on the telephone in regards to the promotion of April 20-26 as National Coin Week.

On April 1 we received a letter from President Nixon's office in response to the letter we sent him. It stated that he would have to have a Congressional resolution in order to proclaim April 20-26 as National Coin Week.

We hope to have further replies on the letters that we have sent out and will keep you posted on the results.

Sincerely yours,

Peter Boyko
